Dear Mr. Casey,

On behalf of the members of the Yale Political Union, it is my distinct pleasure to invite you to be our guest at Yale during the coming academic year.

The Political Union is a non-partisan forum for political debate and discussion. It is by far the largest and most active organization on campus. Recent guests have included Zbigniew Brzezinski, Barry Commoner, Betty Friedan, John Anderson, and George Franklin. Since it was founded in 1934, the Union has tried to live up to the challenge issued by President Franklin Roosevelt: "This Union can be of undoubted value to the nation as well as the University."

Arrangements with our guest speakers are tailored to provide all involved with the most worthwhile experience possible. A typical schedule might include a reception and dinner with members of the Union and the Yale community, a press conference with area media, and an evening address on a topic of mutual interest, followed by a question-and-answer discussion period. The entire format is, of course, very flexible, and we are more than willing to adjust it to your schedule. As to specific dates, almost any evening, Sunday through Thursday, between September 6 and December 15, is convenient to the Union. We will, of course, reimburse you for your travel expenses and provide overnight accommodations, if you so desire.

Should you have any questions about the Union or the arrangements, please feel free to contact me at the address below, or, after September 1, at the Political Union office in New Haven. I look forward to hearing from you, and hope to have the honor and pleasure of welcoming you to Yale this fall.

Sincerely,

Joan M. Canny
